## Sample application form

# Australia – Austria Industrial Decarbonisation Demonstration Partnerships Project grant opportunity

Version April 2024

This document shows the questions included in the online application form for this grant opportunity. It will help you prepare your responses and the mandatory attachments you need before you apply online.

# Instructions

---

The online form captures the information required by the department to assess and manage your application for services and funding.

The first page of the application page contains the following instructions.

## Completing your application

The application consists of separate pages as shown in the navigation menu on the left hand side of the portal page. You can navigate between pages using the menu or the buttons at the bottom of each page.

A red asterisk \* indicates a mandatory question. A warning message may appear if you have not completed all of the mandatory questions or if there is an issue with information you have entered.

## Saving your responses

You can save your changes at any time by using the Save button.

To prevent you losing your work you should save often. The portal will time out after 30 minutes if you do not save. Typing or moving your mouse does not reset the time out.

You must use the Save and Continue button to validate the information on each page. If you use the menu to navigate between pages, you will be prompted on the final page to go back and validate all of the information you have entered. A green tick indicates a validated page.

You can modify saved responses up until you submit your application.

## Participants

You may invite others to assist in completing your application via the application summary page. To do this:

- Select the Participants button
- Enter the details

An email will be sent to the participant inviting them to assist with your application.

## Submitting your application

You must complete every page of the application before you can submit.

You must also read and agree to the declaration which advises you of your responsibilities.

Check all your answers before you submit your application. After you submit, it will no longer be editable.

## Internet browsers supported by the portal

We recommend that you use the following browsers for optimum functionality:

- On Windows: The latest versions of Mozilla Firefox, Google Chrome and Microsoft Edge
- On Mac: The latest versions of Safari and Google Chrome

## Getting help

If you require further assistance completing this form, [contact us](#) by email or web chat or on 13 28 46.

Sample

## A. Program selection

---

Before you start your application, we need to first identify what type of entity is applying.

*Some programs we offer allow entities without an ABN to apply. The form is designed to accommodate these entities. However for this grant opportunity, an ABN is mandatory. If you do not have an ABN this grant opportunity will not appear in the program selection at the bottom of the first page and you will not be able to continue.*

If you are a trustee applying on behalf of a trust we will need details of both the trust and trustee.

Before you start you should have the following details ready if they are applicable to you.

- Australian Business Number (ABN)  
or
- Australian Company Number (ACN)
- Indigenous Corporation Number
- Australian Registered Body Number
- Australian Registered Scheme Number
- Incorporated Association Registration
- Co-operative Registration Number
- Charity status
- Not for profit status

Where applicable, international organisations will need to provide

- country of registration
- registration number

### A.1. Program selection

You must select from a drop-down menu the program that you are applying for. If you have been provided with an Invitation code, you will be able to enter it here which will select the program for you.

- Field 1 select – Australia – Austria Industrial Decarbonisation Demonstration Partnerships Project
- Field 2 select - Australia – Austria Industrial Decarbonisation Demonstration Partnerships Project

*When you have selected the program, the following text will appear.*

This grant opportunity will run over 4 years from 2024-25 to 2027-28.

The grant opportunity was announced as part of the Australian Government's investment in international collaboration and delivers on Australia's obligations under the United Nations Framework Convention on Climate Change and the Paris Agreement. It supports Australia's ambitions to become a renewable energy superpower and build new renewable industries to support domestic and global decarbonisation efforts.

Up to \$12 million is available for this grant opportunity.

The objectives of the program are to:

- advance the development and deployment of innovative technologies, processes or solutions to decarbonise hard-to-abate energy-intensive industries including ironmaking and steelmaking, chemicals manufacturing, the production of lime and cement, or alumina and aluminium production
- incentivise action by industry by reducing the financial and technical risks of industrial decarbonisation demonstration projects
- foster greater collaboration between industry in Australia and Austria
- leverage private and non-Commonwealth funding towards clean energy technologies and projects in Australia
- build industry expertise and share knowledge and information from the program, in line with the aims of the Net Zero Industries Mission.

The maximum grant amount is \$3.5 million and the minimum is \$150,000.

You should read the [grant opportunity guidelines](#) and [sample grant agreements](#) before filling out this application. We recommend you keep the guidelines open as you are completing your application so you can refer to them when providing your responses.

You may submit your application at any time up until 5.00pm AEST on 18 July 2024. Please take account of time zone differences when submitting your application.

## B. Eligibility

---

We will ask you the following questions to establish your eligibility for the Australia – Austria Industrial Decarbonisation Demonstration Partnerships Project grant opportunity.

*Questions marked with an asterisk are mandatory.*

- Select which type of entity your organisation is. \*
- An entity, incorporated in Australia
- An incorporated trustee on behalf of a trust
- None of the above

*You must select one of the eligible options from a drop down menu to proceed to next question.*

- Are you partnering with an organisation in Austria? \*

*You must answer yes to proceed to next question.*

- Will your project activities take place in both Australia and Austria? \*

*You must answer yes to proceed to next question.*

- Has or will your Austrian project partner apply for funding under the Australia-Austria Call 2024: Industrial Decarbonisation program?\*

*You must answer yes to proceed to next question.*

- Does your project have at least \$600,000 in eligible expenditure? \*

*You must answer yes to one of these questions to proceed to next question.*

- Will your project advance the deployment of innovative technologies, processes or solutions required to support net-zero in energy-intensive hard-to-abate sectors? \*

*You must answer yes to proceed to next question.*

- Is your project, or will your project be, directly linked to a physical demonstration or pilot/test plant? \*

*You must answer yes to proceed to next question.*

- What is the Technology Readiness Level of your project? \*

*You must answer yes to proceed to next section.*

- What is the Technology Readiness Level of your project? \*

- *TRL 5*
- *TRL 6*
- *TRL 7*
- *TRL 8*
- *None of the above*

## C. Applicant address

---

### C.1. Applicant street address

You must provide your street address

*When you start typing the address in the field you can select the correct one from the drop down list that appears. If it is not there you can enter manually.*

### C.2. Applicant postal address

You must provide your postal address

*When you start typing the address in the field you can select the correct one from the drop down list that appears. If it is not there you can enter manually.*

Sample

## D. About your organisation

---

*We collect the following data from all applicants across all grant programs. We use this data to better understand your organisation and to help us develop better policies and programs.*

### D.1. Latest financial year figures

*All values must be whole numbers. For example*

*6.5 months should be presented as 7 months*

*\$2 million should be presented as \$2,000,000*

- Has the applicant existed for a complete financial year?
- If no, enter the number of months completed in the financial year to date.

You must provide the following financial information about the applicant organisation for the financial year you have entered above.

*Values must be that of the entity applying (the 'applicant'), regardless of whether the entity belongs to a consolidated group for tax purposes.*

*These fields are mandatory and entering \$0 is acceptable if applicable for your organisation.*

- Sales revenue (turnover)

*Total revenue from the sale of goods and services, as reported in your organisation's Business Activity Statement (BAS).*

- Export revenue

*Total revenue from export sales, as reported in your organisation's Business Activity Statement (BAS).*

- R&D expenditure

*Expenditure on research and development, i.e. creative work undertaken on a systematic basis in order to increase the stock of knowledge, including knowledge of humankind, culture and society, and the use of this stock of knowledge to devise new applications.*

- Taxable income

*Taxable income or loss as per your organisation's income tax return form.*

- Number of employees (headcount)

*Number of individuals who are entitled to paid leave (sick and holiday), or generate income from managing your organisation. This should include working proprietors and salaried directors.*

- Number of independent contractors (headcount)

*Number of individuals engaged by your organisation under a commercial contract (rather than an employment contract) to provide employee-like services on site.*

### D.2. Your ANZSIC code

Provide from a drop-down menu:

- your organisation's main revenue earning division under the Australian and New Zealand Standard Industrial Classification ([ANZSIC](#)).

- your organisation's main revenue earning class under the Australian and New Zealand Standard Industrial Classification ([ANZSIC](#)).

### **D.3. Indigenous organisation**

Is your organisation Indigenous owned?

*An organisation is considered Indigenous owned where at least 51% of the organisation's members or proprietors are Indigenous.*

Is your organisation Indigenous controlled?

*An organisation is considered Indigenous controlled where at least 51% of the organisation's board or management committee is Indigenous.*

Sample

## E. Project information

---

On this page you must provide the detailed information about your proposed project.

*If your application is successful, we will publish some grant details on [GrantConnect](#) and other government publications. Published details include:*

- *name of the grant recipient*
- *a project title*
- *a brief project description and its intended outcome*
- *amount of grant funding awarded.*

### E.1. Project title and description

Provide a project title.

*Your response is limited to 75 characters including spaces and does not support formatting.*

Provide a brief project description.

*Your response is limited to 750 characters including spaces and does not support formatting.*

*Ensure your project description focuses on your project's key activities and outcomes. Outline what it is you are going to do and how it will meet the objectives of the program outlined in the grant opportunity guidelines.*

### E.2. Project activity area

Select the type of activity or activities that you will undertake as part of your project

*You should select all activity areas that apply do your project. You must select at least one activity area.*

- Innovative technology based
- Research and development
- Process or solution based
- Training and development
- Other

If 'Other', provide details of the type of activity.

### E.3. Detailed project description and key activities

*This information will be included in your grant agreement if your application is successful.*

Provide a detailed description of your project including the project scope and key activities.

*Your response is limited to 5000 characters including spaces and does not support formatting.*

You must also provide a project plan which you should attach later in your application. Refer to the grant opportunity guidelines for the requirements of the project plan.

### E.4. Project outcomes

*This information will be included in your grant agreement if your application is successful.*

Provide a summary of the expected project outcomes.

*Your response is limited to 5000 characters including spaces and does not support formatting.*

### **E.5. Project duration**

Your project must be completed by 31 March 2028.

- Estimated project start date
- Estimated project end date
- Estimated project length (in months)

### **E.6. Project milestones**

Provide details on the project milestones including the key activities occurring at each milestone.

*The milestone start and end dates must be between the project start and end dates.*

- Milestone title

*Your response is limited to 100 characters including spaces and does not support formatting.*

- Description

*Your response is limited to 750 characters including spaces and does not support formatting.*

- Estimated start date
- Estimated end date

### **E.7. Project location**

You must provide the address where your project will be undertaken and the estimated percentage of project value expected to be undertaken at that site. If you have multiple sites you must add the address of each site.

*A project site must be a street address. Do not provide a postal address, institution or building name.*

- Project site address
- Estimated percentage of project value expected to be undertaken at site

## F. Project budget

### F.1. Project budget summary

Provide a summary of your eligible project expenditure over the life of the project.

*If you are registered for GST, enter the GST exclusive amount. If you are not registered for GST, enter the GST inclusive amount. We only provide grant funding based on eligible expenditure. Refer to the guidelines for guidance on eligible expenditure.*

*The minimum project expenditure for this grant opportunity is \$600,000.*

*You must attach a detailed project budget later in the application form. Refer to the grant opportunity guidelines for the requirements of the budget.*

*The following limits will be applied to the selected eligible expenditure items in the table below:*

- Labour on-cost activities up to a maximum of 30 per cent of total eligible labour expenditure*
- Domestic travel costs are limited to 10 per cent of your total eligible expenditure*
- Overseas travel costs are limited to 10 per cent of your total eligible expenditure*
- Independent audit report costs are limited to maximum of 1 per cent of your total eligible expenditure*
- Contingency costs are limited to 10 per cent of your total eligible expenditure.*

Type of expenditure	Head of expenditure	Financial Year	Cost
Project expenditure			\$
	Labour		\$
		2024-25	\$
		2025-26	\$
		2026-27	\$
		2027-28	\$
	Labour on-costs	2024-25	\$
		2025-26	\$
		2026-27	\$
		2027-28	\$
	Contract		\$
		2024-25	\$
		2025-26	\$
		2026-27	\$
		2027-28	\$

Type of expenditure	Head of expenditure	Financial Year	Cost
	Contingency Costs		\$
		2024-25	\$
		2025-26	\$
		2026-27	\$
		2027-28	\$
	Domestic travel		
		2024-25	\$
		2025-26	\$
		2026-27	\$
		2027-28	\$
	Overseas travel		
		2024-25	\$
		2025-26	\$
		2026-27	\$
		2027-28	\$
	Independent Audit Report		
		2024-25	\$
		2025-26	\$
		2026-27	\$
		2027-28	\$
	Other eligible expenditure		
		2024-25	\$
		2025-26	\$
		2026-27	\$
		2027-28	\$
<b>Total</b>			

Provide details of "Other eligible expenditure".

*Your response is limited to 750 characters including spaces and does not support formatting.*

## F.2. Source of funding

In this section you must provide details of how you will fund the project.

*The total of all sources of funding, should be equal to your total project expenditure in the section above. Sources of funding include:*

- *grant amount sought*
- *your contribution*
- *other contributions as allowed in the grant opportunity guidelines*

## F.3. Grant amount sought

You must enter the amount of grant funding you are requesting. We will add GST to this where applicable.

*The minimum grant amount under this grant opportunity is \$150,000. The maximum grant amount under this grant opportunity is \$3.5 million.*

## F.4. Contributions

You will need to provide the following information for all other sources of funding

- Name of contributor
- Type of contributor

*Contributors are divided into the following types*

- *Your contribution*
- *Other non-Commonwealth government grants*
- *Other non-government contribution*
- Value of contribution
- Date due of contribution
- Description

*You may need to provide details around whether your contribution is sourced from bank loans, equity or cash flow etc.*

*Where you are receiving other government funding you will need to provide details.*

## G. Assessment criteria

---

We will assess your application based on the weighting given to each criterion and against the indicators listed beneath each criterion. We will only consider funding applications that score at least 50 per cent against each criterion as these represent best value for money.

*The amount of detail and supporting evidence you provide should be commensurate with the project size, complexity and grant amount requested. You should define, quantify and provide evidence to support your answers.*

### G.1. Assessment criterion 1 (50 points)

*Your response is limited to 5000 characters including spaces and does not support formatting.*

#### Project alignment with the program objectives

You should demonstrate this by describing:

- a. how your project will advance the development and deployment of innovative technologies, processes or solutions to decarbonise energy-intensive hard-to-abate industries, including technology pathways identified as priorities by the Net Zero Industries Mission, specifically:
  - i. fuel switching through alternative fuels and feedstocks
  - ii. fuel switching through use of clean hydrogen
  - iii. electrification of production and processes
  - iv. digitalisation & flexibilisation
  - v. carbon capture & utilisation/storage
  - vi. alternative materials and more efficient processes
- b. how your project fosters greater collaboration between industry in Australia and Austria; including the tangible business or economic benefits your project will deliver in both countries
- c. how you plan to build expertise and share knowledge and information from your project, in line with the aims of the Net Zero Industries Mission.

### G.2. Assessment criterion 2 (25 points)

*Your response is limited to 3000 characters including spaces and does not support formatting.*

#### Capacity, capability and resources to deliver the project

You should demonstrate this by describing:

- a. how you will manage and monitor your project, explaining the governance and planning arrangements and how you will manage risks
- b. you and your project partners' track record managing similar or existing projects and your plan specific to this project to utilise and manage personnel with the right skills and experience, including strong governance, management, and technical expertise
- c. your access to required resources including personnel with the right skills and experience, infrastructure, finance, capital equipment, technology, intellectual property and regulatory or other approvals required to deliver the project
- d. if your project will include or support First Nations involvement or benefits.

You must provide a detailed project plan to support your response, including governance, division of project activities between project partners and risk management frameworks that address ethical technology use, foreign interference, technology transfer and other environmental, social, economic, or political risks.

### **G.3. Assessment criterion 3 (25 points)**

*Your response is limited to 3000 characters including spaces and does not support formatting.*

#### **Impact of the grant funding on your project**

You should demonstrate this by explaining:

- a. how the grant will impact the project in terms of scale and timing. This should include justification for the funding amount requested and whether the project could proceed without Australian Government funding
- b. the total investment the grant will leverage and why the Australian Government should invest in your project, including how the grant will benefit the Australian community, economy, and environment
- c. the deployment potential of your project, including the expected outputs such as new products, processes or services, and any expected spill over benefits and plans at the end of the project.

## H. Project partners

---

You must provide details about your project partners.

*For details about project partner contributions refer to the grant opportunity guidelines.*

*You must identify an Austrian project partner that will or has applied for funding under the Australia-Austria Call 2024: Decarbonisation program (Austrian applicants only).*

You must provide

- Australian Business Number (ABN)
- Other registration number where applicable
- Business address
- Postal address
- Contact details
- Project partner letter of support attached. Letter to include details of partner contributions.

## I. Bank account details

---

### I.1. Bank account details

If your application is successful we will need to set up a payment process to pay your grant. We need your bank account details to do this. If your application is not successful we will not process these details.

*We can only pay grant funding to the applicant organisation, who if successful will be party to a grant agreement with the Commonwealth. You must provide bank account details for this organisation.*

### I.2. Account details

Account name

BSB

Account number

### I.3. Payment contact

Given name

Family name

Email address

Phone number

## J. Application finalisation

---

You must answer the following questions and add any supporting documentation required.

### J.1. Conflict of interest

Do you have any perceived or existing conflicts of interest to declare?

*Refer to the grant opportunity guidelines for further information on your conflict of interest responsibilities.*

If yes, describe the perceived or existing conflicts of interest.

*Your response is limited to 750 characters including spaces and does not support formatting.*

If yes, describe how you anticipate managing this conflict.

*Your response is limited to 750 characters including spaces and does not support formatting.*

### J.2. Additional information

You must attach the following supporting documentation. You should only attach documents we have requested.

*The total of all attachments cannot exceed 20 MB.*

*Individual files must be smaller than 2.0mb, and be one of the following types: doc, docx, rtf, pdf, xls,xlsx, csv, jpg, jpeg, png, gif.*

*Filenames should only include letters or numbers and should be fewer than 40 characters.*

- **Project plan\***

*You must provide a project plan including all items listed at assessment criterion 2 of the Guidelines.*

- **Project budget\***

*You must provide a project budget as per section 7.1 of the Guidelines. Costs should be clearly separated between Australian contributions and Austrian contributions.*

- **Evidence that supports Assessment Criteria responses**

*Where applicable provide any additional evidence that supports your Assessment Criteria responses.*

- **Evidence of funding strategy\***

*You must provide evidence of your funding strategy, e.g. financial statements, loan agreements, or cash flow documents.*

- **Evidence demonstrating that your Austrian partner will or has applied for grant funding\***

*You must provide a document or letter demonstrating that your Austrian project partner has or will apply for grant funding matching the amount sought in your application under the Australia-Austria Call 2024: Industrial Decarbonisation program.*

- **Trust deed (where applicable)**

*You must provide a copy of your trust deed if applicable.*

### J.3. Program feedback

How did you hear about the grant opportunity? \*

*You must select from a drop-down menu.*

Did you read the grant opportunity guidelines? \*

*You must select from a drop-down menu.*

How useful were the guidelines in completing your application?

*You must select from a drop-down menu.*

We welcome any additional feedback on the guidelines.

*Your response is limited to 750 characters including spaces and does not support formatting.*

How satisfied were you with the process of applying for a grant? \*

*You must select from a drop-down menu.*

We welcome any additional feedback on the application process.

*Your response is limited to 750 characters including spaces and does not support formatting.*

## K. Primary contact

---

You must provide the details of a primary contact for your application.

The primary contact is the person authorised to act on behalf of the applicant and we send all email correspondence to this person. If you are not the primary contact, we will send an email to this person to invite them to register as a participant in the application. It is important that they register, or our emails will not be received. We recommend you let them know this.

If these details change, inform us as soon as possible so emails can be redirected.

*If this application is successful, the primary contact will also need to nominate an authorised signatory to accept an agreement with the Commonwealth. The primary contact will not be able to accept an agreement unless they invite themselves to be the authorised signatory as well.*

- Given name
- Family name
- Position title
- Email address
- Phone number
- Mobile number
- Primary address

Sample

## L. Application declaration

---

In order to submit your application you will be required to agree to the following declaration.

### L.1. Privacy and confidentiality provisions

I acknowledge that this is an Australian Government program and that the Department of Industry, Science and Resources (the department) will use the information I provide in accordance with the following:

- [Australian Government Public Data Policy Statement](#)
- [Commonwealth Grants Rules and Guidelines](#)
- grant opportunity guidelines
- applicable Australian laws.

Accordingly, I understand that the department may share my personal information provided in this application within this department and other government agencies:

- a. for purposes directly related to administering the program, including governance, research and the distribution of funds to successful applicants
- b. to facilitate research, assessment, monitoring and analysis of other programs and activities unless otherwise prohibited by law.

I understand that where I am successful in obtaining a grant, the financial information that I provide for the purposes of payment will be accessible to departmental staff to enable payments to be made through the department's accounts payable software system.

I understand that information that is deemed 'confidential' in accordance with the grant opportunity guidelines may also be shared for a relevant Commonwealth purpose.

The department will publish information on individual grants in the public domain, including on the department's website, unless otherwise prohibited by law.

### L.2. Applicant declaration

I declare that I have read and understood the grant opportunity guidelines, including the grant agreement, privacy, confidentiality and disclosure provisions.

I declare that the proposed project outlined in this application and any associated expenditure has been endorsed by the applicant's board/ management committee or person with authority to commit the applicant to this project.

I declare that the applicant will comply with, and require that its subcontractors and independent contractors comply with, all applicable laws.

I declare that the applicant and any project partners are not listed on the [National Redress Scheme](#) list of institutions, where sexual abuse has occurred, that have not joined or signified their intent to join the Scheme.

I declare that the applicant is not named by the [Workplace Gender Equality Agency](#) as an organisation that has not complied with the *Workplace Gender Equality Act 2012*.

I confirm that the applicant, project partners and associated activities are in compliance with current [Australian Government sanctions](#).

I declare that the information contained in this application together with any statement provided is, to the best of my knowledge, accurate, complete and not misleading and that I understand that giving of false or misleading information is a serious offence under the *Criminal Code Act 1995* (Cth).

I acknowledge that I may be requested to provide further clarification or documentation to verify the information supplied in this form and that the department may, during the application process, consult with other government agencies, including state and territory government agencies, about the applicant's claims and may also engage external technical or financial advisors to advise on information provided in the application.

I agree to participate in the periodic evaluation of the services undertaken by the department.

I approve the information in this application being communicated to the department in electronic form.

I acknowledge that if the department is satisfied that any statement made in an application is incorrect, incomplete, false or misleading the department may, at its absolute discretion, take appropriate action. I note such action may include excluding an application from further consideration; withdrawing an offer of funding; using the information contained in the application for a fraud investigation that would be consistent with the Australian Government's Investigations Standards and Commonwealth Fraud Control Framework and/or for a grant under management, terminating a grant agreement between the Commonwealth and the grantee including recovering funds already paid.

I declare that I am authorised to submit this form on behalf of the applicant and acknowledge that this is the equivalent of signing this application.
