Defence Industry Development Grants Program Skilling Stream

Version May 2024

This document shows the questions included in the online application form for the Defence Industry Development Grants Program – Skilling Stream. It will help you prepare your responses and the mandatory attachments you need before you apply online.

Instructions

The online form captures the information required by the department to assess and manage your application for services and funding.

The first page of the application page contains the following instructions.

Completing your application

The application consists of separate pages as shown in the navigation menu on the left hand side of the portal page. You can navigate between pages using the menu or the buttons at the bottom of each page.

A warning message may appear if you have not completed all of the mandatory questions or if there is an issue with information you have entered. If a question is not mandatory it will be clearly marked – Optional.

Saving your responses

You can save your changes at any time by using the Save button.

To prevent you losing your work you should save often. The portal will time out after 30 minutes if you do not save. Typing or moving your mouse does not reset the time out.

You must use the Save and Continue button to validate the information on each page. If you use the menu to navigate between pages, you will be prompted on the final page to go back and validate all of the information you have entered. A green tick indicates a validated page.

You can modify saved responses up until you submit your application.

Participants

You may invite others to assist in completing your application via the application summary page. To do this:

- Select the Participants button
- Enter the details

An email will be sent to your participant inviting them to assist with your application.

Submitting your application

You must complete every page of the application before you can submit.

You must also read and agree to the declaration which advises you of your responsibilities.

Check all your answers before you submit your application. After you submit, it will no longer be editable.

Internet browsers supported by the portal

We recommend that you use the following browsers for optimum functionality:

- On Windows: The latest versions of Mozilla Firefox, Google Chrome and Microsoft Edge
- On Mac: The latest versions of Safari and Google Chrome

Getting help

If you require further assistance completing this form, [contact us](#) by email or web chat or on 13 28 46.

A. Program selection

Before you start your application, we need to first identify what type of entity is applying.

For this grant opportunity, an ABN is mandatory. If you do not have an ABN this grant opportunity will not appear in the program selection at the bottom of the first page and you will not be able to continue.

If you are a trustee applying on behalf of a trust we will need details of both the trust and trustee.

Before you start you should have the following details ready if they are applicable to you.

- Australian Business Number (ABN)

or

- Australian Company Number (ACN)
- Indigenous Corporation Number
- Australian Registered Body Number
- Australian Registered Scheme Number
- Incorporated Association Registration
- Co-operative Registration Number
- Charity status
- Not for profit status

Where applicable, international organisations will need to provide

- country of registration
- registration number

A.1. Program selection

You must select from a drop-down menu the program that you are applying for. If you have been provided with an Invitation code, you will be able to enter it here which will select the program for you.

- Field 1 select - Defence Industry Development Grants Program – Skilling Stream
- Field 2 select - Defence Industry Development Grants Program – Skilling Stream

When you have selected the program, the following text will appear.

This grant opportunity will run over four years from 2024-25 to 2027-28.

The grant opportunity was announced as part of the [Defence Industry Development Strategy](#). Approximately \$20.3 million (approximately \$5.3 million in 2024-25 and \$5 million per year from 2025-26 to 2027-28) is available for this grant opportunity. Approximately \$300,000 of the total stream funds is available for projects that support the Nuclear-Powered Submarine (NPS) program (approximately \$25,000 in 2024-25 and \$275,000 in 2025-26).

The objectives of the program are:

- reduce barriers faced by small to medium enterprises (SMEs) in the defence sector when upskilling or retraining staff
- develop skills within SMEs in the defence sector relevant to defence capability priority areas as identified by the [Sovereign Defence Industrial Priorities \(SDIPs\)](#).

The maximum grant amount is \$250,000 and the minimum is \$5,000.

You should read the [grant opportunity guidelines](#) and [sample grant agreements](#) before filling out this application. We recommend you keep the guidelines open as you are completing your application so you can refer to them when providing your responses.

You may submit an application at any time over the life of the grant opportunity.

To prevent you losing your work you should save often. The portal will time out after 30 minutes if you do not save. Typing or moving your mouse does not reset the time out.

The minimum grant amount under this grant opportunity is \$5,000.

The maximum grant amount under this grant opportunity is \$250,000.

I.4. Contributions

You will need to provide the following information for all other sources of funding

- Name of contributor
- Type of contribution

Contributors are divided into the following types

- *Your contribution*
- *Other non-government contribution*
- Type of contribution
- Contribution in cash
- Value of contribution
- Due date of contribution
- Description

You may need to provide details around whether your contribution is sourced from bank loans, equity or cash flow etc.

J. Assessment criteria

We will assess your application based on the weighting given to each criterion and against the indicators listed beneath each criterion. We will only consider funding applications that score at least 65 per cent against each criterion as these represent best value with relevant money.

The amount of detail and supporting evidence you provide should be commensurate with the project size, complexity and grant amount requested. You should define, quantify and provide evidence to support your answers.

J.1. Assessment criterion 1

Your response is limited to 5000 characters including spaces and does not support formatting.

The extent to which your grant project develops the industrial workforce capacity and capability to service the defence industry sector in priority areas

You should demonstrate this through identifying:

For SME and DIA applicants:

- a. the technical skills your grant project will develop in accordance with section 5.1 and why these skills are required to support and service the defence industry sector. Include detail on your current challenges with regard to upskilling staff in the defence industry sector.

For SME applicants only:

- b. details of the defence opportunities that you are currently supplying, actively tendering, or being subcontracted to perform. Describe the maturity of your commercial participation in the defence sector and how your grant project assists by increasing Australia's capacity in defence capability priority areas as identified by the [Sovereign Defence Industrial Priorities](#).

For DIA applicants only

- c. what primary research has been conducted to validate market need and likely uptake by participants for the proposed training activity. Provide details of the minimum-viable (to proceed), target and maximum number of training participants, cost per participant under each scenario, and how this affects your budget. Describe how an appropriate spread of training participants across industry will be achieved to demonstrate value for money. Describe what entry criteria will be used to ensure that training is undertaken only by appropriate defence industry sector personnel who are employed by eligible defence sector SMEs, how this will be documented and reported, and how training completion will be verified and reported listing all successful participants.

DIA applicants should note that eligible projects must achieve and demonstrate training completion by the minimum-viable number of appropriate project participants which you propose.

J.2. Assessment criterion 2

Your response is limited to 5000 characters including spaces and does not support formatting.

Your capacity, capability and resources to deliver the grant project

You should demonstrate this through identifying

- a. your plan to manage the grant project. Include detail on the key risks and how these will be managed and timeframes for key deliverables:

- you must attach a Project and Risk Management Plan if your grant project's total costs exceeds \$100,000 or where there are more than 10 proposed participants, that details your grant project scope, outcomes, implementation methodology, implementation timeframes (milestones), risk assessment and risk management
- you must attach a project budget commensurate with the grant amount requested, clearly outlining your project expenditure, using the template provided.

DIA applicants should budget for the maximum participation level but also clearly describe how the budget will be affected by minimum-viable and target participation levels

b. your access to resources to deliver the grant project. Include detail on:

- the relevant qualifications, skills and experience of your training provider(s)
- personnel with right skills and experience, both management and technical staff, within your business, with track record for delivering similar projects on time and on budget

You must present a strong case that you are using appropriately skilled and experienced training providers to score 65 per cent or greater against this criterion.

- c. your strategy to measure the grant project's success, including any targets and metrics
- d. if you have previously received a grant under either the Skilling Australia's Defence Industry (SADI) grant program or the Defence Industry Development Program – Skilling Stream, explain what value was created, how the purpose of this grant project is different and why you need additional funding

I acknowledge that I may be requested to provide further clarification or documentation to verify the information supplied in this form and that the department may, during the application process, consult with other government agencies, including state and territory government agencies, about the applicant's claims and may also engage external technical or financial advisors to advise on information provided in the application.

I agree to participate in the periodic evaluation of the services undertaken by the department.

I approve the information in this application being communicated to the department in electronic form.

I understand that the applicant is responsible for ensuring that it has met relevant state or territory legislation obligations related to working with children, and that any person that has direct, unsupervised contact with children as part of a project under this grant opportunity, has undertaken and passed, a working with children check, if required under relevant state or territory legislation. The applicant is also responsible for assessing the suitability of people I engage in this project to ensure children are kept safe.

I acknowledge that if the department is satisfied that any statement made in an application is incorrect, incomplete, false or misleading the department may, at its absolute discretion, take appropriate action. I note such action may include excluding an application from further consideration; withdrawing an offer of funding; using the information contained in the application for a fraud investigation that would be consistent with the Australian Government's Investigations Standards and Commonwealth Fraud Control Framework and/or for a grant under management, terminating a grant agreement between the Commonwealth and the grantee including recovering funds already paid.

I declare that I am authorised to submit this form on behalf of the applicant and acknowledge that this is the equivalent of signing this application.

By checking this box I agree to all of the above declarations and confirm all of the above statements to be true
