Sample application form

Inspiring Australia - Science Engagement Program: National Science Week Grants 2025

Version May 2024

This document shows the questions included in the online application form for this grant opportunity. It will help you prepare your responses and the mandatory attachments you need before you apply online.

Instructions

The online form captures the information required by the department to assess and manage your application for services and funding.

The first page of the application page contains the following instructions.

Completing your application

The application consists of separate pages as shown in the navigation menu on the left hand side of the portal page. You can navigate between pages using the menu or the buttons at the bottom of each page.

A warning message may appear if you have not completed all of the mandatory questions or if there is an issue with information you have entered. If a question is not mandatory it will be clearly marked – Optional.

Saving your responses

You can save your changes at any time by using the Save button.

To prevent you losing your work you should save often. The portal will time out after 30 minutes if you do not save. Typing or moving your mouse does not reset the time out.

You must use the Save and Continue button to validate the information on each page. If you use the menu to navigate between pages, you will be prompted on the final page to go back and validate all of the information you have entered. A green tick indicates a validated page.

You can modify saved responses up until you submit your application.

Participants

You may invite others to assist in completing your application via the application summary page. To do this:

- Select the Participants button
- Enter the details

An email will be sent to your participant inviting them to assist with your application.

Submitting your application

You must complete every page of the application before you can submit.

You must also read and agree to the declaration which advises you of your responsibilities.

Check all your answers before you submit your application. After you submit, it will no longer be editable.

Internet browsers supported by the portal

We recommend that you use the following browsers for optimum functionality:

- On Windows: The latest versions of Mozilla Firefox, Google Chrome and Microsoft Edge
- On Mac: The latest versions of Safari and Google Chrome

Getting help

If you require further assistance completing this form, [contact us](#) by email or web chat or on 13 28 46.

A. Program selection

Before you start your application, we need to first identify what type of entity is applying.

If you are a trustee applying on behalf of a trust we will need details of both the trust and trustee. Although a trust is not eligible to apply for this grant opportunity, an incorporated trustee may apply on behalf of a trust.

- To be eligible you must have an Australian Business Number (ABN), or
- be an individual 18 years of age or older.

If you do not have an ABN we will ask you why you do not have one. You should note the following.

If you are entitled to an ABN and do not provide it to us, we will be required to withhold 47 per cent from any grant awarded. If you intend to apply for an ABN you should do so before starting your application as you cannot update these details in the application form. If you apply for an ABN after you start your application you will need to start again.

A.1. Program selection

You must select from a drop-down menu the program that you are applying for. If you have been provided with an Invitation code, you will be able to enter it here which will select the program for you.

- Field 1 select - National Science Week Grants 2025
- Field 2 select - National Science Week Grants 2025

When you have selected the program, the following text will appear.

For this grant opportunity, up to \$500,000 is available for National Science Week Grants 2025.

The objectives of the grant opportunity are to:

- inspire wide community participation in STEM
- provide an opportunity to acknowledge and celebrate the contributions of Australian scientists to the world of knowledge
- encourage an interest in science pursuits among the general public
- encourage younger people to become fascinated by the world we live in
- encourage new and innovative ways of engaging with audiences.

The intended outcomes of the grant opportunity are to:

- increase national and international interest in Australian science
- improve critical engagement with key scientific issues by the public
- increase inspiration drawn from science and improve the value of science as perceived by the public.

The minimum is \$2,000 and the maximum grant amount is \$20,000.

You should read the [grant opportunity guidelines](#) and [sample grant agreements](#) before filling out this application. We recommend you keep the guidelines open as you are completing your application so you can refer to them when providing your responses.

You may submit your application at any time up until 5.00pm AEDT on 28 October 2024. Please take account of time zone differences when submitting your application.

To prevent you losing your work you should save often. The portal will time out after 30 minutes if you do not save. Typing or moving your mouse does not reset the time out.

B. Eligibility

We will ask you the following questions to establish your eligibility for the National Science Week Grants 2025 grant opportunity.

You must select one of the eligible options from a drop down menu to proceed to next question.

Is your organisation a non-corporate Commonwealth entity (unless you are a publicly funded research organisation, as defined in section 14 of the grant opportunity guidelines)?*

You must answer no to proceed to the next question.

Will you be undertaking science-related activities during National Science Week 2025 (9 to 17 August 2025), or in the week before or after?*

Eligible activity period: 2 August 2025 to 24 August 2025 (inclusive).

You must answer yes to proceed to next question.

Will all project activities be conducted in Australia?*

D. Primary contact

You must provide the details of a primary contact for your application.

The primary contact is the person authorised to act on behalf of the applicant and we send all email correspondence to this person. If you are not the primary contact, we will send an email to this person to invite them to register as a participant in the application. It is important that they register, or our emails will not be received. We recommend you let them know this.

If these details change, inform us as soon as possible so emails can be redirected.

If this application is successful, the primary contact will also need to nominate an authorised signatory to accept an agreement with the Commonwealth. The primary contact will not be able to accept an agreement unless they invite themselves to be the authorised signatory as well.

- Title (optional)
- Given name
- Family name
- Phone number
- Email address
- Relationship to applicant

Authorised signatory

- Title (optional)

F. Project information

On this page you must provide the detailed information about your proposed project.

If your application is successful, we will publish some grant details on [GrantConnect](#) and other government publications. Published details include:

- *name of the grant recipient*
- *a project title*
- *a brief project description and its intended outcome*
- *amount of grant funding awarded.*

F.1. Project title and description

Provide a project title.

Your response is limited to 75 characters including spaces and does not support formatting.

Provide a brief project description for publication.

Your response is limited to 750 characters including spaces and does not support formatting.

Ensure your project description focuses on your project's key activities and outcomes. Outline what it is you are going to do and how it will meet National Science Week Grants 2025 objectives and outcomes.

F.2. Detailed project description and key activities

This information will be included in your grant agreement if your application is successful.

Provide a detailed description of your project including the project scope and key activities.

Your response is limited to 5000 characters including spaces and does not support formatting.

F.3. Project outcomes

This information will be included in your grant agreement if your application is successful.

Provide a summary of the expected project outcomes.

Your response is limited to 5000 characters including spaces and does not support formatting.

F.4. Project duration

Your project must be focussed on conducting eligible activities that take place during National Science Week 2025 (9 to 17 August 2025), or where appropriate, in the week before or after National Science Week 2025 (period between 2 August 2025 to 24 August 2025 inclusive). Your project period will begin from the date we notify you that your application is successful and will cease four weeks following the end of National Science Week 2025, unless otherwise agreed by the Program Delegate. Eligible expenditure cannot be incurred prior to grant agreement execution.

The project period is longer than the activity period to accommodate for any work required to prepare for your National Science Week 2025 activities and to allow you to finalise any payments following the completion of your activities. All National Science Week 2025 activities must be completed by the end of the week following National Science Week 2025.

The start and end dates you enter here will drive the visible financial years in the project budget on the next page.

Your project start date cannot be earlier than 1 March 2025.

Your project end date cannot be later than 15 September 2025.

- Estimated project start date (1 March 2025)
- Estimated project end date (15 September 2025).

F.5. Project Event Details

Your project must be focussed on conducting eligible activities that take place during National Science Week 2025 (9 to 17 August 2025), or where appropriate, in the week before or after National Science Week 2025 (period between 2 August 2025 to 24 August 2025 inclusive).

- Planned event start date
- Planned event end date

F.6. Activity purpose and delivery

Select one or more from the below list which best represents how your project will meet the purposes for National Science Week Grants 2025:

- draw the nation's attention towards the sciences
- spark broad interest and engagement in the sciences
- provide an opportunity for all Australians, including those historically underrepresented in the sciences, to participate in science events and activities
- foster partnerships between the community, research organisations and industry
- trial new and innovative science communication activities.

Select one or both of the delivery formats your project will engage

- an in-person event involving physical attendance
- an online event involving two-way audience participation or involvement.

How many participants do you anticipate will attend your event(s)?

Select one or more historically underrepresented groups in STEM that will be engaged in your project:

- First Nations peoples
- culturally and linguistically diverse (CALD) people
- women and girls
- people living in regional and remote areas
- people with disability
- people from low socio-economic backgrounds
- neurodivergent people
- LGBTQIA+ people
- people who face age-based discrimination.

F.7. Project location

You must provide the address where your project will be undertaken and the estimated percentage of project value expected to be undertaken at that site. If you have multiple sites you must add the address of each site.

A project location must be a street address. Do not provide a postal address, institution or building name.

- Project site address
- Estimated percentage of project value expected to be undertaken at site

F.8. Disclosure of financial penalties

Have any of your board members, management or persons of authority been subject to any pecuniary penalty, whether civil, criminal or administrative, imposed by a Commonwealth, state, or territory court or a Commonwealth, state, or territory entity?

If yes, provide details of the penalty.

Your response is limited to 750 characters including spaces and does not support formatting.

Do any entities or key personnel involved with the project receive financial support or benefits from a foreign source?

If yes, provide details of the arrangement.

Your response is limited to 750 characters including spaces and does not support formatting.

Do any entities or key personnel involved with the project have any current or former association with a foreign talent program?

If yes, provide details of the foreign talent program.

Your response is limited to 750 characters including spaces and does not support formatting.

Do any entities or key personnel involved with the project have any ties to a foreign government, military or state-owned enterprise?

If yes, provide details of the affiliations or associations.

Your response is limited to 750 characters including spaces and does not support formatting.

F.10. National security plan

Does your organisation have a plan or framework in place to manage any potential security risks associated with the project and your organisation more broadly?

This includes protecting your organisation from potential national security risks including cyber security threats and the secure handling of data. We may ask for a copy of your plan or framework at a later stage.

G. Project partners

Provide details about all project partners.

For details about project partner contributions refer to the grant opportunity guidelines.

You can have up to 10 projects partners.

A letter of support template can be found on business.gov.au. If a project partner is a trustee applying on behalf of a trust we will need details of both the trust and trustee.

You must provide:

- Australian Business Number (ABN)
- Other registration number where applicable
- Business address
- Postal address
- Project partner contact name
- Contact details
- Project partner letter of support attached. Letter to include details of partner contributions. Template is available on National Science Week 2025 grant opportunity page at business.gov.au.

H. Project budget

Provide a summary of your eligible project expenditure over the life of the project.

If you are registered for GST, enter the GST exclusive amount. If you are not registered for GST, enter the GST inclusive amount. We only provide grant funding based on eligible expenditure. Refer to the guidelines for guidance on eligible expenditure.

The financial years below are derived from the project start and end dates you entered on the previous page. If incorrect, you must ensure all amounts below are zero before going back to the previous page to update your project duration.

The minimum project expenditure for this grant opportunity is \$2,000. The maximum grant amount under this grant opportunity is \$20,000. Expenditure items that are not eligible are listed in 5.3 of the grant opportunity guidelines.

*You should **not** include ineligible costs in the project budget.*

You should only include eligible costs equivalent to the grant amount sought in the project budget. Any contributions should be included in the Contributions section below.

H.2. Grant amount sought

Enter the grant amount sought. We will add GST to this where applicable.

The minimum grant amount under this grant opportunity is \$2,000.

The maximum grant amount under this grant opportunity is \$20,000

H.3. Contributions

You will need to provide the following information for all other sources of funding.

Are you receiving any other contributions in relation to the project?

If contributing additional sources of funding, provide details about what these are.

I. Assessment criteria

We will assess your application based on the weighting given to each criterion and against the indicators listed beneath each criterion. We will only consider funding applications that score at least 50 per cent against each criterion as these represent best value for money.

The amount of detail and supporting evidence you provide should be commensurate with the project size, complexity and grant amount requested. You should define, quantify and provide evidence to support your answers.

I.1. Assessment criterion 1 (60 points)

Your response is limited to 5000 characters including spaces and does not support formatting.

The reach and impact of the project

You should demonstrate this through identifying:

- a. the size and composition of your intended audience, including geographical reach and whether the project targets historically underrepresented groups in the sciences
- b. the quality of your National Science Week project, including the likely impact and benefit of your activities on your intended audience, including any innovative approaches to engage your audience
- c. details of any proposed linkages with groups historically underrepresented in STEM (see glossary definition in section 14 of the grant opportunity guidelines).

I.2. Assessment criterion 2 (40 points)

Your response is limited to 5000 characters including spaces and does not support formatting.

Your capacity, capability and resources to carry out the project

You should demonstrate this through identifying:

- a. your ability to run this type of project, including access to personnel with the right skills and experience
- b. your access to appropriate venues, infrastructure, capital equipment, technology, and any required regulatory or other approvals
- c. why grant funding is necessary to deliver your project.

J. Bank account details

J.1. Bank account details

If your application is successful we will need to set up a payment process to pay your grant. We need your bank account details to do this. If your application is not successful we will not process these details.

We can only pay grant funding to the applicant organisation, who if successful will be party to a grant agreement with the Commonwealth. You must provide bank account details for this organisation.

J.2. Account details

All payments are in AU\$ and must be made into an account with an Australian financial institution.

Account name

BSB

Account number

J.3. Payment contact

We will send the payment remittance advice to this person. All other notifications are sent to the primary contact whose details you provide on the last page of this application.

Given name

Family name

Email address

Phone number

K. Application finalisation

You must answer the following questions and add any supporting documentation required.

K.1. Conflict of interest

Do you have any perceived or existing conflicts of interest to declare?

Refer to the grant opportunity guidelines for further information on your conflict of interest responsibilities.

If yes, describe the perceived or existing conflicts of interest.

Your response is limited to 750 characters including spaces and does not support formatting.

If yes, describe how you anticipate managing this conflict.

Your response is limited to 750 characters including spaces and does not support formatting.

K.2. Additional information

The total of all attachments cannot exceed 20 MB. Filenames should only include letters or numbers and should be fewer than 40 characters.

You should attach additional supporting documentation here. You should only attach documents that we have requested.

Individual files must be smaller than 2.0MB, and be one of the following types: doc, docx, rtf, pdf, xls,xlsx, csv, jpg, jpeg, png, gif.

Filenames should only include letters or numbers and should be fewer than 40 characters.

- proof of age for individuals 18 years or older (where applicable)

Where applicable, copy of identification as proof that you are 18 years of age or older (if you are an individual with no ABN).

- letter of support from key stakeholders or communities (where applicable)

Applicants are encouraged to upload letters of support from any key stakeholders or communities, which can be used as evidence to support relationships or stated linkages within the assessment criterion responses.

- letter of support from an Elder, Traditional Owner, or land council (where applicable)

A letter of support from Elders, Traditional Owners, land councils or similar representative groups is highly regarded when engaging First Nations people/communities in delivering grant activities.

- trust deed (where applicable)

Where you have indicated your entity type is a trustee applying on behalf of a trust, you must attach trust documents showing the relationship of the incorporated trustee to the trust.

K.3. Program feedback

Your responses help us improve the design and delivery of programs. They will not affect the assessment or outcome of this application.

How did you hear about the grant opportunity?

You must select from a drop-down menu.

Did you read the grant opportunity guidelines?

You must select from a drop-down menu.

How useful were the guidelines in completing your application?

We welcome any additional feedback on the guidelines.

L. Declaration

In order to submit your application you will be required to agree to the following declaration.

L.1. Privacy and confidentiality provisions

I acknowledge that this is an Australian Government program and that the Department of Industry, Science and Resources (the department) will use the information I provide in accordance with the following:

- [Australian Government Data and Digital Strategy](#)
- [Commonwealth Grants Rules and Guidelines](#)
- grant opportunity guidelines
- applicable Australian laws.

Accordingly, I understand that the department may share my personal information provided in this application within this department and other government agencies:

- a. for purposes directly related to administering the program, including governance, research and the distribution of funds to successful applicants
- b. to facilitate research, assessment, monitoring and analysis of other programs and activities unless otherwise prohibited by law.

I understand that where I am successful in obtaining a grant, the financial information that I provide for the purposes of payment will be accessible to departmental staff to enable payments to be made through the department's accounts payable software system.

I understand that information that is deemed 'confidential' in accordance with the grant opportunity guidelines may also be shared for a relevant Commonwealth purpose.

The department will publish information on individual grants in the public domain, including on the department's website, unless otherwise prohibited by law.

L.2. Applicant declaration

I declare that I have read and understood the grant opportunity guidelines, including the grant agreement, privacy, confidentiality and disclosure provisions.

I declare that the proposed project outlined in this application and any associated expenditure has been endorsed by the applicant's board/ management committee or person with authority to commit the applicant to this project.

I declare that the applicant will comply with, and require that its subcontractors and independent contractors comply with, all applicable laws.

I declare that the applicant and any project partners are not listed on the [National Redress Scheme](#) list of institutions, where sexual abuse has occurred, that have not joined or signified their intent to join the Scheme.

I declare that the applicant is not named by the [Workplace Gender Equality Agency](#) as an organisation that has not complied with the *Workplace Gender Equality Act 2012*.

I confirm that the applicant, project partners and associated activities are in compliance with current [Australian Government sanctions](#).

I declare that the information contained in this application together with any statement provided is, to the best of my knowledge, accurate, complete and not misleading and that I understand that giving of false or misleading information is a serious offence under the *Criminal Code Act 1995* (Cth).

I acknowledge that I may be requested to provide further clarification or documentation to verify the information supplied in this form and that the department may, during the application process, consult with other government agencies, including state and territory government agencies, about the applicant's claims and may also engage external technical or financial advisors to advise on information provided in the application.

I agree to participate in the periodic evaluation of the services undertaken by the department.

I approve the information in this application being communicated to the department in electronic form.

I understand that the applicant is responsible for ensuring that it has met relevant state or territory legislation obligations related to working with children, and that any person that has direct, unsupervised contact with children as part of a project under this grant opportunity, has undertaken and passed, a working with children check, if required under relevant state or territory legislation. The applicant is also responsible for assessing the suitability of people I engage in this project to ensure children are kept safe.

I acknowledge that if the department is satisfied that any statement made in an application is incorrect, incomplete, false or misleading the department may, at its absolute discretion, take appropriate action. I note such action may include excluding an application from further consideration; withdrawing an offer of funding; using the information contained in the application for a fraud investigation that would be consistent with the Australian Government's Investigations Standards and Commonwealth Fraud Control Framework and/or for a grant under management, terminating a grant agreement between the Commonwealth and the grantee including recovering funds already paid.

I declare that I am authorised to submit this form on behalf of the applicant and acknowledge that this is the equivalent of signing this application.

By checking this box I agree to all of the above declarations and confirm all of the above statements to be true.
