## Sample application form

# Australian Biological Resources Study – National Taxonomy Research Grant Program 2026-27

## PhD Scholarship Support Grant stream

This document shows the questions included in the online application form for this grant opportunity. It will help you prepare your responses and the mandatory attachments you need before you apply online.

## Instructions

---

The online form captures the information required by the department to assess and manage your application for services and funding.

The first page of the application page contains the following instructions.

### Internet browsers supported by the portal

We recommend that you use the following browsers for optimum functionality:

- On Windows: The latest versions of Mozilla Firefox, Google Chrome and Microsoft Edge
- On Mac: The latest versions of Safari and Google Chrome

### Selecting a program

On the following page you must enter your details and then select the program you are applying for.

### Are you eligible to apply?

Before you start your application, you must answer some questions to self-assess whether you are eligible to apply.

### Completing your application

The application consists of separate pages, shown in a navigation menu on the left hand side of the portal page. You can navigate between pages using the menu or the buttons at the bottom of each page.

A warning message may appear if you have not completed all of the mandatory questions or if there is an issue with information you have entered. If a question is not mandatory it will be clearly marked – Optional.

### Saving your responses

Once you start your application, you can save your changes at any time by using the Save button.

**To prevent you losing your work you should save often. The portal will time out after 30 minutes if you do not save. Typing or moving your mouse does not reset the time out.**

You must use the Save and Continue button to validate the information on each page. A tick indicates a validated page.

You can modify saved responses up until you submit your application.

## Participants

Once you start your application, you may invite others to assist, via the application summary page. To do this:

- select the Application summary link at the top of the page
- select the Participants button
- enter the details.

Australian Biological Resources Study – National Taxonomy Research Grant Program 2026-27 – PhD Scholarship Support Grant stream application requirements

An email will be sent to the participant inviting them to access the application.

## Saving with multiple participants

If more than one participant is working on your application at the same time you cannot save simultaneously. You should coordinate your entries to prevent losing your work.

## Submitting your application

You must complete every page of the application before you can submit.

You must also read and agree to the declaration which advises you of your responsibilities.

Check all your answers before you submit your application. After you submit, it will no longer be editable.

## Getting help

If you require further assistance completing your application, [contact us](#) by email or web chat or on 13 28 46.

## A. Program selection

---

Before you start your application, we need to first identify what type of entity is applying.

*Some programs we offer allow entities without an ABN to apply. The form is designed to accommodate these entities. However for this grant opportunity, an ABN is mandatory. If you do not have an ABN this grant opportunity will not appear in the program selection at the bottom of the first page and you will not be able to continue.*

If you are a trustee applying on behalf of a trust we will need details of both the trust and trustee.

Before you start you should have the following details ready if they are applicable to you.

- Australian Business Number (ABN)  
or
- Australian Company Number (ACN)
- Indigenous Corporation Number
- Australian Registered Body Number
- Australian Registered Scheme Number
- Incorporated Association Registration
- Co-operative Registration Number
- Charity status
- Not for profit status

Where applicable, international organisations will need to provide

- country of registration
- registration number

### A.1. Program selection

You must select from a drop-down menu the program that you are applying for. If you have been provided with an Invitation code, you will be able to enter it here which will select the program for you.

- Field 1 select – National Taxonomy Research Grant Program 2026-27
- Field 2 select – PhD Scholarship Support Grant stream

*When you have selected the program, the following text will appear.*

This grant opportunity will run over 3 years from 2026-27 to 2028-29.

Up to \$2.03 million is available for this grant opportunity.

The grant opportunity provides grants for taxonomy and systematics research (herein referred to as taxonomy), training and recruitment of taxonomists.

Grants will support projects with the primary aim of undertaking research into the taxonomy of the Australian biota. The Australian Biological Resources Study (ABRS) has three Priority Areas for Research:

- Biodiversity, Conservation and Vulnerable and Endangered Species

Australian Biological Resources Study – National Taxonomy Research Grant Program 2026-27 – PhD Scholarship Support Grant stream application requirements

- Public, Plant, Animal and Environmental Health
- Building Taxonomic Capacity.

Seven grant streams are available to applicants to support research projects of differing levels of complexity and at different stages of their career. Four of these seven grant streams do not require co-funding (i.e. the projects can be fully paid for by the grant). The four grant streams that do not require co-funding are:

- Honours Scholarship - Honours student hosted by an appropriate institution
- Masters Scholarship - Masters student hosted by an appropriate institution
- PhD Scholarship Support Grant - PhD student with a Research Training Program Scholarship that commenced in 2025 hosted by an appropriate institution
- Non-salaried Researcher Grant - A retired or unemployed person, or someone who is currently employed in a non-taxonomy capacity, for whom taxonomic research is an auxiliary, non-funded activity.

The three remaining grant streams support researchers, postdoctoral fellows, and early career researchers, and require co-funding of a minimum of 50 per cent of the total amount of grant funding sought. The three grant streams are:

- Research Grant - Researcher employed or hosted by an appropriate institution
- Early Career Research Grant - Early career researcher employed or hosted by an appropriate institution
- Postdoctoral Fellowship Grant - Researcher who has had their PhD thesis accepted and is employed or hosted by an appropriate institution.

The objectives of the program are

- to support research into taxonomy
- to increase funding for taxonomy through enhanced co-funding opportunities.

The maximum grant amount for this program is \$375,000 and the minimum is \$5,000. Refer to Appendix B in the grant opportunity guidelines for maximum grant amounts per stream.

You must use grant funding to supplement research costs only. Funding from these grants cannot be used to supplement daily living costs but can be used for accommodation, travel and meals related to fieldwork.

You should read the [grant opportunity guidelines](#) and [sample grant agreements](#) before filling out this application. We recommend you keep the guidelines open as you are completing your application so you can refer to them when providing your responses.

You may submit your application at any time up until 5.00pm AEDT on 17 March 2026. Please take account of time zone differences when submitting your application.

*To prevent you losing your work you should save often. The portal will time out after 30 minutes if you do not save. Typing or moving your mouse does not reset the time out.*

*If more than one participant is working on your application at the same time you cannot save simultaneously. You should coordinate your entries to prevent losing your work.*

## B. Eligibility

---

- an Australian State/Territory government agency or body
- an Australian Commonwealth government agency or body
- an incorporated association or not for profit organisation and you do not have an active state or territory incorporated association registration or ACNC registration at the time of application, provide the Constitutional documents and/or Articles of Association that demonstrate the character of the organisation
- a partnership, provide a copy of your partnership agreement
- none of the above.

*You must select one of the eligible options from a drop down menu to proceed to next question.*

Does your project address at least one of the ABRS Priority Areas for Research?

*A list of priority areas can be found in Appendix A of the grant opportunity guidelines.*

*You must answer yes to proceed to next question.*

Do you confirm there are no outstanding reports or material owed beyond agreed timeframes from previous grant rounds?

*You must answer yes to proceed to next question.*

Can you provide a CV of no more than 4 pages for each Student Supervisor relevant to your project?

*You must answer yes to proceed to next question.*

*Providing a CV of more than 4 pages (per CV) will render your application ineligible. Refer to section 4.2 of the grant opportunity guidelines.*

Can you provide all mandatory attachments as outlined in section 7.1 of the grant opportunity guidelines?

Australian Biological Resources Study – National Taxonomy Research Grant Program 2026-27 – PhD Scholarship Support Grant stream application requirements

*You must answer yes to proceed to next question.*

Will the proposed research be undertaken at an appropriate Australian institution?

*You must answer yes to proceed to next question.*

Is the student either an Australian citizen or permanent resident?

*You must answer yes to proceed to next question.*

Has the PhD student secured a Research Training Program Scholarship that commenced in 2025?

*You must answer yes to proceed to next section.*

*This information will be included in your grant agreement if your application is successful.*

Provide a detailed description of your project and key activities.

*Your response is limited to 5000 characters including spaces and does not support formatting.*

*Describe in detail what your project involves. What are you proposing to do? What activities are involved and how are you going to implement them?*

### F.3. Project outcomes

*This information will be included in your grant agreement if your application is successful.*

Provide a summary of the expected project outcomes.

*Your response is limited to 5000 characters including spaces and does not support formatting.*

*What result do you anticipate in undertaking this project? You should summarise how your project will contribute to the field of taxonomy.*

### F.4. Priority Areas for Research

*Select the Priority Areas that your project addresses.*

*You should select all areas relevant to your project and you must select at least one area. You will need to provide further details in your response to assessment criteria .*

Which areas of Biodiversity, Conservation and Vulnerable and Endangered Species will your project address?

*Select all areas relevant to your project*

- 1.1 Documenting Australia's Biodiversity
- 1.2 Conservation
- 1.3 Vulnerable and endangered species
- 1.4 Identifying Australia's biodiversity

Which areas of Public, Plant, Animal and Environmental Health will your project address?

*Select all areas relevant to your project*

- 2.1 Public, plant and animal health
- 2.2 Environmental health

Which areas of Building Taxonomic Capacity will your project address?

*Select all areas relevant to your project*

- 3.1 Training of early career researchers
- 3.2 Knowledge management
- 3.3 Exchange of international expertise

## F.5. Project Outputs

Provide a summary of the expected project outputs.

*You should summarise the outputs and deliverables your project will produce. For example: papers, publications, etc.*

*Your response is limited to 5000 characters including spaces and does not support formatting.*

## F.6. Institution Details

Name of the appropriate institution where the research will be undertaken:

*Research must be undertaken at an appropriate institution as defined in the Glossary in the grant opportunity guidelines.*

*This will typically be the host institution that submits the application but may be an organisation within the host institution.*

## F.7. Details of Student

Name of the student:

Institution:

Responsibilities for the project:

*Your response is limited to 5000 characters including spaces and does not support formatting.*

## F.8. Details of Student Supervisor

Name of the Student Supervisor:

Institution:

Responsibilities for the project:

*Your response is limited to 5000 characters including spaces and does not support formatting.*

## F.9. Project duration

*Your project cannot commence before 1 July 2026. Your project must be completed by 30 June 2028.*

*The start and end dates you enter here will determine the financial years in the project budget.*

*The project length will be calculated by the start and end dates you enter.*

- Estimated project start date
- Estimated project end date
- Estimated project duration (in months)

## H. Assessment criteria

---

We will assess your application based on the weighting given to each criterion and against the indicators listed beneath each criterion. We will only consider funding applications that score at least 50 per cent against each criterion as these represent best value for money.

The amount of detail and supporting evidence you provide should be commensurate with the project size, complexity and grant amount requested. You should define, quantify and provide evidence to support your answers.

### H.1. Assessment criterion 1 (50 points)

*Your response is limited to 5000 characters including spaces and does not support formatting.*

#### Relevance of the project to ABRS and taxonomic science

You should demonstrate this by identifying how your project

- a. addresses one or more of the ABRS Priority Areas for Research (see Appendix A of the grant opportunity guidelines)
- b. has a clear scope and achievable taxonomic aims
- c. has appropriate research activities to achieve the project aims
- d. will produce research outputs and outcomes to advance the field of taxonomy and/or systematics research
- e. will contribute to enhancing the ABRS resources and products.

### H.2. Assessment criterion 2 (30 points)

*Your response is limited to 5000 characters including spaces and does not support formatting.*

#### Feasibility of proposed research project

You should demonstrate this by describing the

- a. research methods you will use to achieve the aims and ensure the success of your project
- b. detailed project budget, and administrative and/or supervision arrangements in place to ensure the budget is effectively managed
- c. proposed timeframes for main activities and potential risks to the delivery of the project.

### H.3. Assessment criterion 3 (20 points)

*Your response is limited to 5000 characters including spaces and does not support formatting.*

*To support your response to this criterion you must attach:*

- *a CV of no more than 4 pages in length for each Student Supervisor*

- *a copy of the most recent academic transcript for the student.*

### Capacity of researchers and/or institutions to deliver the project

You should demonstrate this by describing

- your track record in undertaking similar projects, or experience and potential to deliver the project activities. Including, where relevant, your experience in facilitating knowledge transfer
- a. access to an appropriate host institution, museum and/or herbaria collection/s to deliver the project activities.

## K. Declaration

---

In order to submit your application you will be required to agree to the following declaration.

### K.1. Privacy and confidentiality provisions

I acknowledge that this is an Australian Government program and that the Department of Industry, Science and Resources (the department) will use the information I provide in accordance with the following:

- [Australian Government Data and Digital Strategy](#)
- [Commonwealth Grants Rules and Principles](#)
- grant opportunity guidelines
- applicable Australian laws.

Accordingly, I understand that the department may collect, use and share my personal information provided in this application within this department and other government agencies:

- a. for purposes directly related to administering the program, including governance, research and the distribution of funds to successful applicants
- b. to facilitate research, assessment, monitoring and analysis of other programs and activities
- c. for the purposes of due diligence, preventing, detecting, investigating or dealing with suspected fraud in grant applications and related processes

unless otherwise prohibited by law

I understand that where I am successful in obtaining a grant, the financial information that I provide for the purposes of payment will be accessible to departmental staff to enable payments to be made through the department's accounts payable software system.

I understand that information that is deemed 'confidential' in accordance with the grant opportunity guidelines may also be shared for a relevant Commonwealth purpose.

The department will publish information on individual grants in the public domain, including on the department's website, unless otherwise prohibited by law.

### K.2. Applicant declaration

I declare that I have read and understood the grant opportunity guidelines, including the grant agreement, privacy, confidentiality and disclosure provisions.

I declare that the proposed project outlined in this application and any associated expenditure has been endorsed by the applicant's board/ management committee or person with authority to commit the applicant to this project.

I declare that the applicant will comply with, and require that its subcontractors and independent contractors comply with, all applicable laws.

I declare that the applicant and any project partners are not listed on the [National Redress Scheme](#) list of institutions, where sexual abuse has occurred, that have not joined or signified their intent to join the Scheme.

I declare that the applicant is not named by the [Workplace Gender Equality Agency](#) as an organisation that has not complied with the *Workplace Gender Equality Act 2012*.

I confirm that the applicant, project partners and associated activities are in compliance with current [Australian Government sanctions](#).

I declare that the information contained in this application together with any statement provided is, to the best of my knowledge, accurate, complete and not misleading and that I understand that giving of false or misleading information is a serious offence under the *Criminal Code Act 1995* (Cth).

I acknowledge that I may be requested to provide further clarification or documentation to verify the information supplied in this form and that the department may, during the application process, consult with other government agencies, including state and territory government agencies, about the applicant's claims and may also engage external technical or financial advisors to advise on information provided in the application.

I agree to participate in the periodic evaluation of the services undertaken by the department.

I approve the information in this application being communicated to the department in electronic form.

I understand that the applicant is responsible for ensuring that it has met relevant state or territory legislation obligations related to working with children, and that any person that has direct, unsupervised contact with children as part of a project under this grant opportunity, has undertaken and passed, a working with children check, if required under relevant state or territory legislation. The applicant is also responsible for assessing the suitability of people I engage in this project to ensure children are kept safe.

I acknowledge that if the department is satisfied that any statement made in an application is incorrect, incomplete, false or misleading the department may, at its absolute discretion, take appropriate action. I note such action may include excluding an application from further consideration; withdrawing an offer of funding; using the information contained in the application for a fraud investigation that would be consistent with the Australian Government's Investigations Standards and Commonwealth Fraud Control Framework and/or for a grant under management, terminating a grant agreement between the Commonwealth and the grantee including recovering funds already paid.

I declare that I am authorised to submit this form on behalf of the applicant and acknowledge that this is the equivalent of signing this application.

By checking this box I agree to all of the above declarations and confirm all of the above statements to be true.
