Powering the Regions Fund: Critical Inputs to Clean Energy Industries – Cement, Lime, Alumina and Aluminium Sectors

Version August 2023

This document shows the questions included in the online application form for this Powering the Regions Fund – Critical Inputs to Clean Energy Industries – Cement, Lime, Alumina and Aluminium Sectors. It will help you prepare your responses and the mandatory attachments you need before you apply online.

Instructions

The online form captures the information required by the department to assess and manage your application for services and funding.

The first page of the application page contains the following instructions.

Completing your application

The application consists of separate pages as shown in the navigation menu on the left hand side of the portal page. You can navigate between pages using the menu or the buttons at the bottom of each page.

A red asterisk * indicates a mandatory question. A warning message may appear if you have not completed all of the mandatory questions or if there is an issue with information you have entered.

Saving your responses

You can save your changes at any time by using the Save button.

To prevent you losing your work you should save often. The portal will time out after 30 minutes if you do not save. Typing or moving your mouse does not reset the time out.

You must use the Save and Continue button to validate the information on each page. If you use the menu to navigate between pages, you will be prompted on the final page to go back and validate all of the information you have entered. A green tick indicates a validated page.

You can modify saved responses up until you submit your application.

Participants

You may invite others to assist in completing your application via the application summary page. To do this:

- Select the Participants button
- Enter the details

An email will be sent to the participant inviting them to assist with your application.

Submitting your application

You must complete every page of the application before you can submit.

You must also read and agree to the declaration which advises you of your responsibilities.

Check all your answers before you submit your application. After you submit, it will no longer be editable.

Internet browsers supported by the portal

We recommend that you use the following browsers for optimum functionality:

- On Windows: The latest versions of Mozilla Firefox, Google Chrome and Microsoft Edge
- On Mac: The latest versions of Safari and Google Chrome

A. Program selection

Before you start your application, we need to first identify what type of entity is applying.

Some programs we offer allow entities without an ABN to apply. The form is designed to accommodate these entities. However for this grant opportunity, an ABN is mandatory. If you do not have an ABN this grant opportunity will not appear in the program selection at the bottom of the first page and you will not be able to continue.

If you are a trustee applying on behalf of a trust we will need details of both the trust and trustee.

Before you start you should have the following details ready if they are applicable to you.

- Australian Business Number (ABN)
- or
- Australian Company Number (ACN)
- Indigenous Corporation Number
- Australian Registered Body Number
- Australian Registered Scheme Number
- Incorporated Association Registration
- Co-operative Registration Number
- Charity status
- Not for profit status

Where applicable, international organisations will need to provide

- country of registration
- registration number

A.1. Program selection

You must select from a drop-down menu the program that you are applying for. If you have been provided with an Invitation code, you will be able to enter it here which will select the program for you.

- Field 1 select – PRF - CICEI – Cement, Lime, Alumina and Aluminium Sectors
- Field 2 select – PRF - CICEI – Cement, Lime, Alumina and Aluminium Sectors

When you have selected the program, the following text will appear.

This grant opportunity will run over 3 years.

The grant opportunity was announced as part of the Powering the Regions Funds objective of supporting the development of new clean energy industries. Up to \$200 million is available for this grant opportunity.

The objectives of the program are:

- support and sustain manufacturing capability during the net zero transformation
- ensure the continued availability of locally produced cement, lime, alumina and aluminium, which are critical inputs to the clean energy supply chain
- support the development of low emissions cement, lime, alumina and aluminium sectors consistent with the Australian Government's climate commitments

- advance the development of new clean energy industries, aligned with Australia's ambition to become a renewable energy powerhouse
- reduce the risk of carbon leakage, which occurs when a business responds to emissions reduction policies by moving emissions-intensive production to a country with less stringent policies
- encourage collaboration on decarbonisation planning within each hard-to-abate sector.

The maximum grant amount is \$100 million and the minimum is \$1 million.

You should read the [grant opportunity guidelines](#) and [sample grant agreements](#) before filling out this application. We recommend you keep the guidelines open as you are completing your application so you can refer to them when providing your responses.

You may submit your application at any time up until 5.00pm AEDT on 2 November 2023. Please take account of time zone differences when submitting your application.

- Date due of contribution
- Description

You may need to provide details around whether your contribution is sourced from bank loans, equity or cash flow etc.

Where you are receiving other government funding you will need to provide details.

G. Assessment criteria

We will assess your application based on the weighting given to each criterion and against the indicators listed beneath each criterion. We will only consider funding applications that score highly against each criterion as these represent best value for money.

The amount of detail and supporting evidence you provide should be commensurate with the project size, complexity and grant amount requested. You should define, quantify and provide evidence to support your answers.

G.1. Assessment criterion 1 (50 points)

Your response is limited to 5000 characters including spaces and does not support formatting.

Describe how your project will contribute to Australia's sovereign manufacturing capability, decarbonisation and clean energy supply chains.

You should demonstrate this by identifying how your project:

- a. contributes to maintaining domestic production and supporting clean energy supply chains
- b. contributes to emissions reduction in Australia, for example through a detailed plan or pathway for decarbonisation in an eligible facility or sector
- c. supports sectoral transformation (directly or indirectly) to net zero.

G.2. Assessment criterion 2 (25 points)

Your response is limited to 5000 characters including spaces and does not support formatting.

Capacity, capability and resources to deliver the project.

You should demonstrate this by

- a. describing your resources, including:
 - personnel, physical resources and facilities that you will use to deliver the project
 - your access, and future access to, any land, infrastructure, capital equipment, technology and intellectual property and
 - required regulatory or other approvals required to deliver the project.
- b. submitting your project plan, including how you plan to:
 - manage the project including scope, funding, governance, implementation methodology and timeframes
 - mitigate delivery risks (including national security, work, health and safety, financial, land access, technical and environmental risks)
 - secure required regulatory or other approvals.

You will be required to attach your project plan to your application and include a project budget, any planning, design or engineering reports, project risk assessments or reports and risk mitigation, and funding strategy (including identified sources of funding and supporting documents as appropriate).

G.3. Assessment criterion 3 (25 points)

Your response is limited to 5000 characters including spaces and does not support formatting.

Impact of the grant funding.

You should demonstrate this by identifying

- a. any broader regional, social, economic and environmental benefits of your project. For example, explaining how the project will:
 - support your existing and/or expanding workforce to develop, including any skills and training support, and/or contribute to providing secure jobs.
 - support new and retraining workers to develop skills and experience in the sector, especially any measures to increase women and/or First Nations participation and accommodate workers with a disability
 - support and be informed by ongoing engagement or collaboration with local First Nations representatives
 - reduce emissions and/or provide other environmental benefits such as reduced waste
 - support downstream businesses and customers.
- b. how your project will support sectoral transformation. For example, explaining how the project will:
 - demonstrate new technologies, processes and/or practices that could be replicated elsewhere in Australia, including by other participants in the sector
 - support cross-sectoral collaboration and partnerships on decarbonisation
 - enable learnings to be disseminated to other participants in the sector.
- c. how your project represents value for money, including increased leverage of private and state investment.

H. Project partners

You must provide details about your project partners.

For details about project partner contributions refer to the grant opportunity guidelines.

You must provide

- Australian Business Number (ABN)
- Other registration number where applicable
- Business address
- Postal address
- Contact details
- Project partner letter of support attached. Letter to include details of partner contributions.

L. Application declaration

In order to submit your application you will be required to agree to the following declaration.

L.1. Privacy and confidentiality provisions

I acknowledge that this is an Australian Government program and that the Department of Industry, Science and Resources (the department) will use the information I provide in accordance with the following:

- [Australian Government Public Data Policy Statement](#)
- [Commonwealth Grants Rules and Guidelines](#)
- grant opportunity guidelines
- applicable Australian laws.

Accordingly, I understand that the department may share my personal information provided in this application within this department and other government agencies:

- a. for purposes directly related to administering the program, including governance, research and the distribution of funds to successful applicants
- b. to facilitate research, assessment, monitoring and analysis of other programs and activities unless otherwise prohibited by law.

I understand that where I am successful in obtaining a grant, the financial information that I provide for the purposes of payment will be accessible to departmental staff to enable payments to be made through the department's accounts payable software system.

I understand that information that is deemed 'confidential' in accordance with the grant opportunity guidelines may also be shared for a relevant Commonwealth purpose.

The department will publish information on individual grants in the public domain, including on the department's website, unless otherwise prohibited by law.

L.2. Applicant declaration

I declare that I have read and understood the grant opportunity guidelines, including the grant agreement, privacy, confidentiality and disclosure provisions.

I declare that the proposed project outlined in this application and any associated expenditure has been endorsed by the applicant's board/ management committee or person with authority to commit the applicant to this project.

I declare that the applicant will comply with, and require that its subcontractors and independent contractors comply with, all applicable laws.

I declare that the applicant and any project partners are not listed on the [National Redress Scheme](#) list of institutions, where sexual abuse has occurred, that have not joined or signified their intent to join the Scheme.

I declare that the applicant is not named by the [Workplace Gender Equality Agency](#) as an organisation that has not complied with the *Workplace Gender Equality Act 2012*.

I confirm that the applicant, project partners and associated activities are in compliance with current [Australian Government sanctions](#).

I declare that the information contained in this application together with any statement provided is, to the best of my knowledge, accurate, complete and not misleading and that I understand that giving of false or misleading information is a serious offence under the *Criminal Code Act 1995* (Cth).

I acknowledge that I may be requested to provide further clarification or documentation to verify the information supplied in this form and that the department may, during the application process, consult with other government agencies, including state and territory government agencies, about the applicant's claims and may also engage external technical or financial advisors to advise on information provided in the application.

I agree to participate in the periodic evaluation of the services undertaken by the department.

I approve the information in this application being communicated to the department in electronic form.

I acknowledge that if the department is satisfied that any statement made in an application is incorrect, incomplete, false or misleading the department may, at its absolute discretion, take appropriate action. I note such action may include excluding an application from further consideration; withdrawing an offer of funding; using the information contained in the application for a fraud investigation that would be consistent with the Australian Government's Investigations Standards and Commonwealth Fraud Control Framework and/or for a grant under management, terminating a grant agreement between the Commonwealth and the grantee including recovering funds already paid.

I declare that I am authorised to submit this form on behalf of the applicant and acknowledge that this is the equivalent of signing this application.
