Instructions

The online form captures the information required by the department to assess and manage your application for services and funding.

The first page of the application page contains the following instructions.

Internet browsers supported by the portal

We recommend that you use the following browsers for optimum functionality:

- On Windows: The latest versions of Mozilla Firefox, Google Chrome and Microsoft Edge
- On Mac: The latest versions of Safari and Google Chrome

Selecting a program

On the following page you must enter your details and then select the program you are applying for.

Are you eligible to apply?

Before you start your application, you must answer some questions to self-assess whether you are eligible to apply.

Completing your application

The application consists of separate pages, shown in a navigation menu on the left hand side of the portal page. You can navigate between pages using the menu or the buttons at the bottom of each page.

A warning message may appear if you have not completed all of the mandatory questions or if there is an issue with information you have entered. If a question is not mandatory it will be clearly marked – Optional.

Saving your responses

Once you start your application, you can save your changes at any time by using the Save button.

To prevent you losing your work you should save often. The portal will time out after 30 minutes if you do not save. Typing or moving your mouse does not reset the time out.

You must use the Save and Continue button to validate the information on each page. A tick indicates a validated page.

You can modify saved responses up until you submit your application.

Participants

Once you start your application, you may invite others to assist, via the application summary page. To do this:

- select the Application summary link at the top of the page
- select the Participants button
- enter the details.

sample

An email will be sent to the participant inviting them to access the application.

Saving with multiple participants

If more than one participant is working on your application at the same time you cannot save simultaneously. You should coordinate your entries to prevent losing your work.

Submitting your application

You must complete every page of the application before you can submit.

You must also read and agree to the declaration which advises you of your responsibilities.

Check all your answers before you submit your application. After you submit, it will no longer be editable.

Getting help

If you require further assistance completing your application, contact us by email or web chat or on 13 28 46.

A. Program selection

Before you start your application, we need to identify the entity applying for the grant opportunity.

For this grant opportunity, you must have an **Australian Business Number (ABN) or Australian Company Number (ACN)**.

If you are an incorporated trustee applying on behalf of a trust, we will need details of both the trustee and the trust.

Before you start your application, you should have the following information available, where applicable:

- Australian Business Number (ABN) or Australian Company Number (ACN)
- legal name
- business name
- date registered
- GST registration status
- Australian Charities and Not-for-profits Commission (ACNC) registration status
- not-for-profit status.

A.1. Program selection

You must select from a drop-down menu the program that you are applying for. If you have been provided with an Invitation code, you will be able to enter it here which will select the program for you.

- Field 1 select - Schools Pathways Program Round 2

When you have selected the program, the following text will appear.

This grant opportunity will run over 4 years from 2026-27 to 2029-30.

The grant opportunity is a key initiative of the 2026 Defence Industry Development Strategy. Up to $23,043,000 is available for this grant opportunity.

The objectives of the grant opportunity are to:

- provide linkages and enhance work and career pathways for students into the Australian defence industry, and address specific skills gaps in defence industry capability
- expand the pool of skilled workers from which the Australian defence industry can recruit (including by supporting studies, experiences, and education endeavours in science, technology, engineering and mathematics for students).

The minimum grant amount is $200,000 and the maximum is $4,000,000.

You can only submit one application per eligible entity, identified by your ABN or ACN, under this grant opportunity. If you are seeking funding for activities at multiple locations, you must include all activities in a single application.

sample

You should read the grant opportunity guidelines and sample grant agreements before filling out this application. We recommend you keep the guidelines open as you are completing your application so you can refer to them when providing your responses.

You may submit your application at any time up until 5.00pm AEDT on 2 December 2026.

Please take account of time zone differences when submitting your application.

To prevent you losing your work you should save often. The portal will time out after 30 minutes if you do not save. Typing or moving your mouse does not reset the time out.

If more than one participant is working on your application at the same time you cannot save simultaneously. You should coordinate your entries to prevent losing your work.

I. Assessment criteria

All fields are required unless marked optional

We will assess your application based on the weighting given to each criterion and against the indicators listed beneath each criterion. The use of artificial intelligence, automation or other third party in developing your application will not impact assessment outcomes. We will only consider funding applications that score at least 65 per cent against each criterion as these represent best value for money.

The amount of detail and supporting evidence you provide should be commensurate with the project size, complexity and grant amount requested. You should define, quantify and provide evidence to support your answers.

I.1. Assessment criterion 1 (30 points)

Your response is limited to 5000 characters including spaces and does not support formatting.

Project alignment with the objectives and outcomes of the grant opportunity

You must demonstrate how your project will meet the objectives and outcomes of the grant opportunity. You must provide a project plan that:

a. describes the proposed project and activities

b. identifies your implementation methodology, activity frequency and timeframes

c. outlines how your activity aligns to the objectives and outcomes of the grant opportunity. In your response, address how your activity will:

   i. develop students, teachers and parents/caregivers' awareness of defence industry and the relevant career opportunities and pathways

   ii. incorporate defence industry perspectives and foster links between schools and defence industry organisations through engagement activities and/or career experiences such as mentoring

   iii. inspire secondary school students to pursue STEM education and encourage uptake of STEM career pathways relevant to defence industry

   iv. support the engagement of traditionally underrepresented groups and students who are not already engaged in STEM education.

d. identify the Key Performance Indicators (KPIs) as published on business.gov.au and GrantConnect, you will use to demonstrate a fulfilment of the grant opportunity objectives and outcomes, and your data collection methodologies.

I.2. Assessment criterion 2 (20 points)

Your response is limited to 5000 characters including spaces and does not support formatting.

Your capability, capacity and resources to deliver the project

a. You must demonstrate your capability to deliver the project by identifying:
    i. the staff allocated to undertake your project, setting out the relevant qualifications and/or industry experience for each
    ii. your understanding of secondary STEM and the vocational education environment, including any previous experience implementing a similar activity, inclusive of demonstrated success and potential lessons learnt
    iii. your current knowledge of, and links to, defence industry and the Sovereign Defence Industrial Priorities, or how you propose to develop this, relevant to your proposed grant activity region.

b. You must demonstrate your capacity to deliver the grant activity by providing a risk management strategy. In your risk management strategy identify the potential risks and barriers that you will face when undertaking your project and the actions that will be implemented to mitigate these. Ensure your strategy addresses:
    i. any barriers you may experience in engaging with defence industry, traditionally underrepresented groups, teachers, parents and/or caregivers, and students who are currently not engaged in STEM education relevant to your proposed grant location(s)
    ii. the adaptability of your project and associated activities and your ability to facilitate activities virtually and in-person
    iii. your capacity to monitor your project and report in line with the grant opportunity outcomes and Schools Pathways Program KPIs published on business.gov.au and GrantConnect
    iv. your ability to meet the requirement of section 4.5.1 of the grant opportunity guidelines.

c. You must demonstrate your resources to deliver the project by attaching a detailed project budget using the template provided. This should include quotes to validate the total costs of your project. In your budget you must identify:
    i. eligible expenditure items and grant funding you are seeking, clearly aligned with the eligible expenditure categories in Appendix A of the grant opportunity guidelines
    ii. staffing cost details
    iii. any funding contributions or other support (including in-kind) from third parties that relate to the project, including how you will ensure there is no duplication of funding for the same project activities.

I.3. Assessment criterion 3 (50 points)

Your response is limited to 5000 characters including spaces and does not support formatting.

Project impact and impact of grant funding

You must identify how your:

L. Declaration

In order to submit your application you will be required to agree to the following declaration.

L.1. Privacy and confidentiality provisions

I acknowledge that this is an Australian Government program and that the Department of Industry, Science and Resources (the department) will use the information I provide in accordance with the following:

- Australian Government Data and Digital Strategy
- Commonwealth Grants Rules and Principles
- grant opportunity guidelines
- applicable Australian laws.

Accordingly, I understand that the department may collect, use and share my personal information provided in this application within this department and other government agencies:

a. for purposes directly related to administering the program, including governance, research and the distribution of funds to successful applicants

b. to facilitate research, assessment, monitoring and analysis of other programs and activities

c. for the purposes of due diligence, preventing, detecting, investigating or dealing with suspected fraud in grant applications and related processes

unless otherwise prohibited by law.

I understand that where I am successful in obtaining a grant, the financial information that I provide for the purposes of payment will be accessible to departmental staff to enable payments to be made through the department's accounts payable software system.

I understand that information that is deemed 'confidential' in accordance with the grant opportunity guidelines may also be shared for a relevant Commonwealth purpose.

The department will publish information on individual grants in the public domain, including on the department's website, unless otherwise prohibited by law.

L.2. Applicant declaration

I declare that I have read and understood the grant opportunity guidelines, including the grant agreement, privacy, confidentiality and disclosure provisions.

I declare that the proposed project outlined in this application and any associated expenditure has been endorsed by the applicant's board/ management committee or person with authority to commit the applicant to this project.

I declare that the applicant will comply with, and require that its subcontractors and independent contractors comply with, all applicable laws.

sample

I declare that the applicant and any project partners are not listed on the National Redress Scheme list of institutions, where sexual abuse has occurred, that have not joined or signified their intent to join the Scheme.

I declare that the applicant is not named by the Workplace Gender Equality Agency as an organisation that has not complied with the *Workplace Gender Equality Act 2012*.

I confirm that the applicant, project partners and associated activities are in compliance with current Australian Government sanctions.

I declare that the information contained in this application together with any statement provided, including those developed using artificial intelligence or other automated process is, to the best of my knowledge, accurate, complete and not misleading and that I understand that giving of false or misleading information is a serious offence under the *Criminal Code Act 1995* (Cth).

I acknowledge that I may be requested to provide further clarification or documentation to verify the information supplied in this form and that the department may, during the application process, consult with other government agencies, including state and territory government agencies, about the applicant's claims and may also engage external technical or financial advisors to advise on information provided in the application.

I agree to participate in the periodic evaluation of the services undertaken by the department.

I approve the information in this application being communicated to the department in electronic form.

I understand that the applicant is responsible for ensuring that it has met relevant state or territory legislation obligations related to working with children, and that any person that has direct, unsupervised contact with children as part of a project under this grant opportunity, has undertaken and passed, a working with children check, if required under relevant state or territory legislation. The applicant is also responsible for assessing the suitability of people I engage in this project to ensure children are kept safe.

I acknowledge that if the department is satisfied that any statement made in an application is incorrect, incomplete, false or misleading the department may, at its absolute discretion, take appropriate action. I note such action may include excluding an application from further consideration; withdrawing an offer of funding; using the information contained in the application for a fraud investigation that would be consistent with the Australian Government's Investigations Standards and Commonwealth Fraud Control Framework and/or for a grant under management, terminating a grant agreement between the Commonwealth and the grantee including recovering funds already paid.

I declare that I am authorised to submit this form on behalf of the applicant and acknowledge that this is the equivalent of signing this application.

By checking this box I agree to all of the above declarations and confirm all of the above statements to be true.
