Urban Rivers and Catchments Program 2023

Version November 2023

This document shows the questions included in the online application form for this Urban Rivers and Catchments Program 2023. It will help you prepare your responses and the mandatory attachments you need before you apply online.

Instructions

The online form captures the information required by the department to assess and manage your application for services and funding.

The first page of the application page contains the following instructions.

Completing your application

The application consists of separate pages as shown in the navigation menu on the left hand side of the portal page. You can navigate between pages using the menu or the buttons at the bottom of each page.

A red asterisk * indicates a mandatory question. A warning message may appear if you have not completed all of the mandatory questions or if there is an issue with information you have entered.

Saving your responses

You can save your changes at any time by using the Save button.

To prevent you losing your work you should save often. The portal will time out after 30 minutes if you do not save. Typing or moving your mouse does not reset the time out.

You must use the Save and Continue button to validate the information on each page. If you use the menu to navigate between pages, you will be prompted on the final page to go back and validate all of the information you have entered. A green tick indicates a validated page.

You can modify saved responses up until you submit your application.

Participants

You may invite others to assist in completing your application via the application summary page. To do this:

- Select the Participants button
- Enter the details

An email will be sent to the participant inviting them to assist with your application.

Submitting your application

You must complete every page of the application before you can submit.

You must also read and agree to the declaration which advises you of your responsibilities.

Check all your answers before you submit your application. After you submit, it will no longer be editable.

Internet browsers supported by the portal

We recommend that you use the following browsers for optimum functionality:

- On Windows: The latest versions of Mozilla Firefox, Google Chrome and Microsoft Edge
- On Mac: The latest versions of Safari and Google Chrome

A. Program selection

Before you start your application, we need to first identify what type of entity is applying.

Some programs we offer allow entities without an ABN to apply. The form is designed to accommodate these entities. However for this grant opportunity, an ABN is mandatory. If you do not have an ABN this grant opportunity will not appear in the program selection at the bottom of the first page and you will not be able to continue.

If you are a trustee applying on behalf of a trust we will need details of both the trust and trustee.

Before you start you should have the following details ready if they are applicable to you.

- Australian Business Number (ABN)
or
- Australian Company Number (ACN)
- Indigenous Corporation Number
- Australian Registered Body Number
- Australian Registered Scheme Number
- Incorporated Association Registration
- Co-operative Registration Number
- Charity status
- Not for profit status

Where applicable, international organisations will need to provide

- country of registration
- registration number

A.1. Program selection

You must select from a drop-down menu the program that you are applying for. If you have been provided with an Invitation code, you will be able to enter it here which will select the program for you.

- Field 1 select – Urban Rivers and Catchments Program 2023 Stream 2: Large-Specific
- Field 2 select – Urban Rivers and Catchments Program 2023 Stream 2: Large Specific

When you have selected the program, the following text will appear.

This grant opportunity will run over 4 years from 2024-25 to 2027-28.

The grant opportunity was announced as part of the Urban Rivers and Catchments Program. Up to \$58 million is available for this grant opportunity.

The objectives of the program are:

- conserve native plants and animals including [EPBC-listed](#) threatened plants and animals in urban, outer urban/peri-urban and regional centres
- improve the ecological health of [Threatened Ecological Communities](#) and wetlands of international significance i.e. [Ramsar sites](#), in urban, outer urban/peri-urban and regional centres.

The maximum grant amount is \$10,000,000 and the minimum is \$2,000,000.

You should read the [grant opportunity guidelines](#) and [sample grant agreement](#) before filling out this application. We recommend you keep the guidelines open as you are completing your application so you can refer to them when providing your responses.

You may submit your application at any time up until 5.00pm AEDT on 13 February 2024. Please take account of time zone differences when submitting your application.

F.2. Source of funding

In this section you must provide details of how you will fund the project.

The total of all sources of funding, should be equal to your total project expenditure in the section above. Sources of funding include:

- *grant amount sought*
- *your contribution*
- *other contributions as allowed in the grant opportunity guidelines*

F.3. Grant amount sought

You must enter the amount of grant funding you are requesting. We will add GST to this where applicable.

The minimum grant amount under this grant opportunity is \$2,000,000. The maximum grant amount under this grant opportunity is \$10,000,000.

F.4. Contributions

You will need to provide the following information for all other sources of funding

- Name of contributor
- Type of contributor

Contributors are divided into the following types

- *Your contribution (cash or in-kind)*
- *Other non-Commonwealth government grants*
- *Other non-government contribution*
- Value of contribution (cash or in-kind)
- Date due of contribution
- Description

You may need to provide details around whether your contribution is sourced from bank loans, equity or cash flow etc.

Where you are receiving other government funding you will need to provide details.

G. Assessment criteria

We will assess your application based on the weighting given to each criterion and against the indicators listed beneath each criterion. We will only consider funding applications that score at least 50 per cent against each criterion as these represent best value for money.

The amount of detail and supporting evidence you provide should be commensurate with the project size, complexity and grant amount requested. You should define, quantify and provide evidence to support your answers.

G.1. Assessment criterion 1 (40% weighting)

Your response is limited to 5000 characters including spaces and does not support formatting.

Your project's contribution to meeting program objectives

You should demonstrate this by describing:

- a) how your project will restore or improve waterway habitat, improve water quality, water in the landscape, or waterway connectivity, to benefit native plants and animals, or aquatic areas of significance. You should demonstrate outcomes for a nationally listed threatened species or ecological community, or a wetland of international significance namely a Ramsar site, or priority species and places identified in the 2022-2032 Threatened Species Action Plan
- b) how your project will benefit the community and improve urban 'blue' and/or 'green' space
- c) the extent to which the project will contribute to the program outcomes, including the local and regional setting, the condition and stresses on the catchment, project site and waterway habitat, the significance of the project site to the endemic flora and/or fauna present (inc. threatened species), the recovery potential for the site, and the significance of actions to be undertaken
- d) how your project site and on-ground actions have been strategically prioritised e.g. through a formal assessment process, or alignment with strategic waterway planning.

You must also attach a site condition report to support your response later in the application.

G.2. Assessment criterion 2 (35% weighting)

Your response is limited to 5000 characters including spaces and does not support formatting.

The quality of your proposal, the project's impact, and the impact of the project grant funding

You should demonstrate this by:

- a) describing how your project is best practice in restoring or improving waterway habitat, or improving water quality, water in the landscape, or waterway connectivity, to benefit native plants and animals, or aquatic areas of significance
- b) attaching your project budget, including any additional investment that your project will leverage, such as cash or in-kind co-contributions (including volunteer hours) that will enhance the achievement of intended outcomes. For projects located on public land, including information on any contribution from the public land manager

- c) your project design. You will be required to attach a plan including:
 - a. the project scope/description, project outcomes (i.e. the degree of change that will be achieved by the project), the implementation methodology, implementation time frames (milestones), and activity targets/outputs
 - b. the project monitoring, evaluation, reporting, and adaptive management processes
 - c. stakeholder and community engagement (including First Nations Australians)
 - d. project risk assessment and risk management (including work, health and safety, financial, land access, technical and environmental risks)
 - e. project governance, and management
 - f. contact details for the project manager
 - g. required permit, regulatory, or other approvals, and the timeframe to secure them.

G.3. Assessment criterion 3 (25% weighting)

Your response is limited to 5000 characters including spaces and does not support formatting.

Your organisation's capacity, capability and resources to deliver the project

You should demonstrate this by describing

- a) the experience and track record of the organisation in managing waterway projects of a similar scale and complexity
- b) your organisation's access to the resources required to successfully deliver the project including a description of the:
 - a. skills and experience of the personnel including anticipated management and technical staff
 - b. capital equipment, technology, and intellectual property
 - c. partnership arrangements, including how you will partner or engage with First Nations/Indigenous groups or businesses (e.g. Indigenous-owned nurseries) where appropriate
- c) your capacity and commitment to maintain your project site and interventions beyond the date of project completion/life of the grant i.e. ongoing management of the project site. For projects located on public land, the commitment of the responsible land manager to maintain the project site and interventions.

H. Project partners

You must provide details about your project partners.

For details about project partner contributions refer to the grant opportunity guidelines.

You must provide

- Australian Business Number (ABN)
- Other registration number where applicable

M. Application declaration

In order to submit your application you will be required to agree to the following declaration.

M.1. Privacy and confidentiality provisions

I acknowledge that this is an Australian Government program and that the Department of Industry, Science and Resources (the department) will use the information I provide in accordance with the following:

- [Australian Government Public Data Policy Statement](#)
- [Commonwealth Grants Rules and Guidelines](#)
- grant opportunity guidelines
- applicable Australian laws.

Accordingly, I understand that the department may share my personal information provided in this application within this department and other government agencies:

- a. for purposes directly related to administering the program, including governance, research and the distribution of funds to successful applicants
- b. to facilitate research, assessment, monitoring and analysis of other programs and activities unless otherwise prohibited by law.

I understand that where I am successful in obtaining a grant, the financial information that I provide for the purposes of payment will be accessible to departmental staff to enable payments to be made through the department's accounts payable software system.

I understand that information that is deemed 'confidential' in accordance with the grant opportunity guidelines may also be shared for a relevant Commonwealth purpose.

The department will publish information on individual grants in the public domain, including on the department's website, unless otherwise prohibited by law.

M.2. Applicant declaration

I declare that I have read and understood the grant opportunity guidelines, including the grant agreement, privacy, confidentiality and disclosure provisions.

I declare that the proposed project outlined in this application and any associated expenditure has been endorsed by the applicant's board/ management committee or person with authority to commit the applicant to this project.

I declare that the applicant will comply with, and require that its subcontractors and independent contractors comply with, all applicable laws.

I declare that the applicant and any project partners are not listed on the [National Redress Scheme](#) list of institutions, where sexual abuse has occurred, that have not joined or signified their intent to join the Scheme.

I declare that the applicant is not named by the [Workplace Gender Equality Agency](#) as an organisation that has not complied with the *Workplace Gender Equality Act 2012*.

I confirm that the applicant, project partners and associated activities are in compliance with current [Australian Government sanctions](#).

I declare that the information contained in this application together with any statement provided is, to the best of my knowledge, accurate, complete and not misleading and that I understand that giving of false or misleading information is a serious offence under the *Criminal Code Act 1995* (Cth).

I acknowledge that I may be requested to provide further clarification or documentation to verify the information supplied in this form and that the department may, during the application process, consult with other government agencies, including state and territory government agencies, about the applicant's claims and may also engage external technical or financial advisors to advise on information provided in the application.

I agree to participate in the periodic evaluation of the services undertaken by the department.

I approve the information in this application being communicated to the department in electronic form.

I understand that the applicant is responsible for ensuring that it has met relevant state or territory legislation obligations related to working with children, and that any person that has direct, unsupervised contact with children as part of a project under this grant opportunity, has undertaken and passed, a working with children check, if required under relevant state or territory legislation. The applicant is also responsible for assessing the suitability of people I engage in this project to ensure children are kept safe.

I acknowledge that if the department is satisfied that any statement made in an application is incorrect, incomplete, false or misleading the department may, at its absolute discretion, take appropriate action. I note such action may include excluding an application from further consideration; withdrawing an offer of funding; using the information contained in the application for a fraud investigation that would be consistent with the Australian Government's Investigations Standards and Commonwealth Fraud Control Framework and/or for a grant under management, terminating a grant agreement between the Commonwealth and the grantee including recovering funds already paid.

I declare that I am authorised to submit this form on behalf of the applicant and acknowledge that this is the equivalent of signing this application.
